TOWN COUNCIL.

A meeting of the Corporation was held to-day to dispose of the Schedule of Presentments to go before the Judge at next Assizes, and to transact other business. The Mayor presided. Also present—Aldermen T. Gaffney, J.P.; J. F. Walker, S. O'Mara, John Dundon. Town Councillors—John F. Power, P. Kenna, J. P. Kearney, F. A. O'Keeffe, M.P.; J. Anglim, P. O'Meally, John Clune, P. Herbert, T. M'Mahon Cregan, J.P.; B. O'Donnell, J. Cusack.

In the unavoidable absence of the Town Clerk, Mr Connolly, solicitor, read the minutes of last meeting.

THE LATE MR JOHN M'DONNELL.

Mr Power said he desired to propose a resolution of sympathy with Mr Robert M'Donnell, on the loss he had sustained by the death of his father. He did not intend to make any lengthened remarks as to the life of the late Mr M'Donnell. He had filled very important positions in the city, and the mode in which he conducted all the transactions of life had been so fully discussed lately that it was quite unnecessary for him to repeat what they had all heard and read. He begged to propose—"That this council tender their deepest sympathy to Mr Robert M'Donnell, J.P., and his family, in the great loss they have sustained in the death of our esteemed and respected old fellow-citizen, Mr John M'Donnell, J.P., whose loss we all feel, and deplore. A copy of the resolution to be sent to Mr Robert M'Donnell."

Mr F. O'Keeffe seconded the resolution, which was passed unanimously.

COMMITTEE MINUTES.

Alderman O'Mara referring to the *precis* of the minutes of committees placed in the hands of the council, said, that Ald. Dundon's resolution on the subject (passed at last meeting) would be useless unless they were more elaborate.

Mr Killeen, assistant Town Clerk, said that all
