

minutes were read by the clerk, who read the bank account, showing a credit of in favour of the union. Number of in- in the workhouse last Saturday, 479; weekly cost per head, 2s 9d. re was no special business to be disposed beyond a discussion on matters connected the recent contract for the supply of milk, execution of the necessary bonds, little attention.

Glynn having scrutinised the return of iters furnished by Mr Pilkington, poor- collector of the town division, gave it as his n that many set down as irrecoverable to have been compelled to pay. matter was taken into consideration, and der made that the clerk call upon Mr gton to furnish a fuller and more explana- return.

ommunication from the Local Government l was read in reference to the resolution ed by the guardians last day, when the esti- of the new rate submitted by the clerk was ed by twopence in the pound on all the ral divisions of the union. As this would e the annual amount required by a sum of as set forth, the Local Government Board sted the guardians to re-consider the r.

O'Brien said it was too important a matter entertained by so small a board.

e Clerk was directed to summon a special ing for next Wednesday to consider the s to be taken.

e financial and general routine business was taken up, and having been disposed of, e Board adjourned.

LUNATIC DISTRICT LUNATIC ASYLUM.

(FROM OUR CORRESPONDENT.)

the monthly meeting of the Governors of Institution, held on Sunday last, Mr Thomas e, D.L., presided. The other members pre- were—Captain C G O'Callaghan, Colonel us Paterson, Messrs Bagot Blood, Pierce ien, and Marcus Keane.

ie usual return of the state of the Asylum, ber of inmates, &c, having been read by the s, it was announced that a male attendant ed John Curtin, of long standing, had red through ill health. It was agreed to grant a sum of £25 per year as remuneration, and ung man named Cooke was appointed in his l. Two female attendants were elected.

long communication from Dr Plunket arrell, Inspector of Lunatic Asylums, was l, in which he highly praised the manner in ch the Institution is being carried out under Felston. Resident Superintendent, its clean- ss and general management, being second to e in Ireland. He suggested some structural im- rements, the heating of the house, and the ointment of a head attendant. The Governors, ever, were not disposed to make any changes, the report was marked "read."

SEQUEL TO A BOY'S BETTING.

n inquest was held at St Pancras, London, on eday, on Charles Courtman, aged 13, an nd boy, whose body was found in Regent's al. It is stated that the deceased had ntly indulged in betting, and after winning a reign on the Two Thousand Guineas, was sed. When the body was found only a penny key were found on it, and it was suggested that had been robbed and thrown into the canal. was stated that a man outside Camden n railway station did a regular betting busi- ss with boys. The inquest was adjourned for police to make inquiries.
