Some of them then demanded the wages due  
since Friday, and were paid off. Only one gang  
struck towards Miltown, and the Kilkee men  
refused to go out on strike. By Wednesday  
morning, however, the men at Moyasta, where the  
strike actually commenced, went back to work  
and the men at the Kilrush end followed suit—  
at least those who were taken back and were not  
paid off. Yesterday and to-day the men have  
resumed work at 13s, the old wages, which are  
considered good wages in such short days and  
bad weather.

**RACES IN WEST CLARE.**

The Cranny Bridge steeplechases take place on  
to-morrow (Sunday) under very favourable  
auspices. The cards embrace four events at £4  
19s each. The Kilmihill steeplechases come off  
on that day week, over a splendid course, with  
similar stakes; whilst at Tullabrack, within two  
miles of Kilrush, another race meeting will be  
held on the 13th February next. There is a  
rumour afloat that immediate steps will be taken  
to revive the Kilrush steeplechases early this  
year.

**THE LAND SUB COMMISSION.**

The business of the Clare Sub-Commissioners  
(Mr Greene, Q.C., Chairman) was brought to a  
close to-day. There were over 160 cases listed  
for hearing, and most of them have been gone  
through. Others were settled out of court.

**THE LATE REV FATHER WALL, P.P.**

By the death of the Rev John Wall, Parish  
Priest of Kilmurry-McMahon, a vacancy takes  
place there. The deceased was much respected  
in the district as a most zealous clergyman  
for the interests of his parishioners. Already  
several local clergymen are named as his suc-  
cessor.

**DRAMATIC ENTERTAINMENTS.**
