

factory condition, the capital at the end of 1893 being £51,239 15s, of which the sum added during the year. This was a factory state of things, but he feared not be able to give such a good the close of the current year, because of the Bishop's annuity would become against it which would absorb the some of £770, and also portion of the self. What that portion would be he say, but it was an encouragement that nstitution Fund would not affect the staire scheme. With regard to compo- nces the capital was also in a satisfac- producing an income of £2,578. It d the full and entire claim that the d upon the compounding clergy. One ad been taken off the tax of four per he would say that the compounding sted and hoped that they would get lief whenever the funds of the diocese it (hear, hear). The Stipend Fund nted to £26,140. He did not think it ed as large a figure as would be desir- the charges which would come upon e annuitants dropped off. The Poor nd was a most important one, and they n upon it during the past years very in his opinion too heavily. He trusted e whom God had blessed with means liberal in helping forward this fund.

Dann seconded the adoption of the d went into figures to show that the as in a very healthy state. They might the year 1894, if this commutation as set free, to have their incomes in- by twenty-five per cent. The f their expenditure had been and on the whole he thought the as working most satisfactorily so far as es were concerned.

O'Brien said it was very pleasing to h an extremely favorable account from a, but he forgot one discouraging fact, se that their assessments had dropped ear). The representative body had own that they could not solely depend subscriptions of the rich, but they must e shillings and pence of the poor.

resident said that Mr Dann had taken roseate view of their position. How their parishes were in debt? (hear, d they should remember that no clergy- d be appointed to any of these parishes salary until its debts were cleared off. d one parish with £390 against it, with £369, another with £264, and so

Mr Gabbett said he strongly took ex- o Mr Dann's remarks in reference to the tion Fund. Having gone into details, er said that so far as anticipating in- dipendents, he thought they would have a in maintaining them as they stood ear). It was almost a certainty that d have to amalgamate parishes in order ain their stipends (hear, hear). It seen by the report that they had £1,631 anding against certain parishes in the t the present moment.

Gregg pointed out the necessity of etter steps to get in subscriptions, there ny members of the Church who had not ad anything.

Dann replied to the previous speakers. on said that wherever the clergy got ple to work the assessment was made up, would be a discreditable thing if the re asked to go hat in hand and ask for ions (hear, hear). In some cases the e not given work to do.

port was put to the meeting and adopted.

EDUCATION.  
Gregg, in proposing the adoption of the n Report, stated the value of the d to be reduced 25 per cent. in conse- the decrease in the funds. It was not e that they should go down in educa- r, hear).

port was adopted, as was also the Re-

Lindsay Fitzpatrick, Mr W. Forbes, Mr John M. Purdon, and Mr James Hutchinson.

LARKY GRIGG.
