

not a singer, he meant he did not the past. Signor Randegger, who he performance of "Don Giovanni" Garden, said the impression made as that the criticism was a perfectly e never looked upon Signor Ciampi r; he was a man of great natural lyric comedian. After further evimlar character, the jury, after proeration, returned a verdict for plaines, one farthing. His lordship, while for costs, said the words were so er the lines of legitimate criticism ion ought not to have been brought.

POSED ABOLITION OF SECOND CLASS CARRIAGES.

g the proposed abolition of second zes, the Marquis of Tweeddale, chair-North British Railway, writes:—"In our letter of 28th October, I may say ave practically abolished the second trains of this company, and that we soon as circumstances will permit, to lish that class. What effect this will market price of this company's capital ible to say." Sir Richard Moon, ex-f the London and North-Western mpany, writes:—"The question you answered very simply. Upwards of on people are willing to pay an extra little extra accommodation in second rtments, and if they cannot have it n third class at a lower price. Why inconvenience them and refuse their It is, in fact, a mere question of t, accommodating the number of ts to the probable number of occu- ths has been done at Euston for

STATISTICS OF FAILURES, &c.

er of failures recorded in Ireland week ending Oct 31 was 7, viz—New proceedings published in the *Dublin* deeds of arrangement filed at the Office, 5. The respective numbers sponding week of 1890 were—Bank-deeds of arrangement, 4; total, 7; ; increase in bankruptcies of 7, and a ; in deeds of arrangement, in 1891, to 5.
