Epps's Cocoa.—Grateful and Comforting.—“By a
 thorough knowledge of the natural laws which govern the
 operations of digestion and nutrition, and by a careful ap-
 plication of the fine properties of well-selected COCOA, Mr
 Epps has provided our breakfast-tables with a delicately-
 flavoured beverage which may save us many heavy doctors'
 bills. It is by the judicious use of such articles of diet that
 a constitution may be gradually built up until strong
 enough to resist every tendency to disease. Hundreds of
 subtle maladies are floating around us ready to attack
 wherever there is a weak point. We may escape many a
 fatal shaft by keeping ourselves well fortified with pure
 blood and a properly nourished frame.”—*Civil Service
 Gazette.* Made simply with boiling water or milk. Sold
 only in packets, by grocers, labelled—“**JAMES EPPS & Co.,**
 Homoeopathic Chemists, London.” Also makers of Epps's
 Afternoon Chocolate Essence.
