PAIN AND WEAKNESS IN BACK & HIPS.
Globe Mills, Boyle, Co. Roscommon.
22nd August, 1892.
Having fully tested the curative properties of
your Magnetic Appliances, I can now with con-
fidence and gratitude testify my testimony to
their really wonderful and beneficial effects.
During the months of February, March, and April,
I suffered severely from pains and weakness
in my back, hips, and thighs. Part of
the time I was totally unable to do
any business and scarcely able to walk or
more about. On applying your Appliances
I can positively state that in 48 hours the pains
entirely left me, and before the end of the month
my usual strength and activity was completely
restored. I feel grateful for such a valuable and
simply applied remedy, and recommend your
treatment with the greatest confidence.
HUGH STEWART.

CHRONIC BRONCHITIS & NERVOUSNESS.
Farranakill National School, Castle Gregory,
Co. Kerry, 1st August, 1892.
The Lung Invigorator and other appliances
which I purchased from you in June of last year
have proved most beneficial to my health, so much
so that I attribute to them the complete re-
establishment of my former vigour and energy.
Two physicians pronounced my symptoms Chronic
Bronchitis, together with Nervousness, Prostra-
tion, and Exhaustion, so that I was confined to
my room for five months. Reading one of your
published testimonials, I immediately procured
your appliances, with the result that I was soon
enabled to go abroad with impunity. My former
appetite and energy began to return, and the
racking cough entirely disappeared. I now enjoy
even better than my former usual health.
JOHN O'DONNELL.

WEAK CHEST. LIABILITY TO COLDS.
River Street, Ballinacree, 13th July, 1892.
I have much pleasure in adding my testimony
to the beneficial effects produced by your Lung
Invigorator. I had a weak chest and was very
liable to catch cold, but since wearing your Lung
Invigorator my chest has become quite strong.
W. V. RYNN.

BAD STOMACH AND GENERAL DEBILITY.
The Square, Loughrea, 16th April, 1892.
The Belt you sent me a year ago has quite
cured me of a bad stomach and general debility,
from which I suffered for five years, during which
time I tried nearly every remedy, without effect,
when a friend recommended your Belt, and I now
cannot say enough for it.
(Mrs) LIZZIE LUDLOW.

RHEUMATISM AND CONSTIPATION.
Parsonstown, Slane, Co. Meath, 5th April, 1892.
I feel great pleasure in offering my grateful
testimony to the use of your valuable Magnetic
Appliances. I suffered from Chronic Rheumatism
and Constipation for over four years, during that
period I had to give up duty three times and had
to enter hospital twice with little hopes of ever
being able to return to duty again. I was under
skillful medical treatment during my illness which
cost me over £30, resulting only in partial relief.
I was then advised to use one of your Special-
Power Magnetic Belts. Procuring one from you
I wore it only about three months when, thank
God, I was completely cured and had no attack
since, returning to my duty in health and
happiness.
M. M^cCANN, Sergt., R.I.C.

LUMBAGO.
Thurlesbeg House, Cashel,
18th February, 1892.
I was quite a martyr to Lumbago for years, and
some eight years ago was induced to try one of
your Belts. Since then I have never suffered in
the least, and would not be without the belt for
any consideration. I have such confidence in
your treatment that I am now getting a Tarsac
Appliance from you for my Sure Throat.
EDWARD PHILLIPS, J.P.

SCIATICA.
Corballis, Rathfriland, Co. Wicklow,
30th May, 1891.
I had been a sufferer from Sciatica for years (the
pain being very acute in the hip and thigh), and
after great expense and trouble in trying to
obtain relief I at last decided on trying your
treatment, which I can assert was the means of
permanently curing me. Owing to whom I ad-
vised your treatment obtained like beneficial
results.
EDWARD ELLISON.

RHEUMATISM AND DEBILITY.
Caherconnell, Ballyvaughan, Co. Clare,
March 28th, 1891.
I beg to say that your Magnetic Appliance has
completely cured my mother of rheumatism and
general debility, and I can recommend it as one
of the safest and best remedies known.
(Miss) M. DAYDREN.
