one quotations were from 52s to 50s for 3-0-14.
The other city buyers were—Messrs Bulger,
Williams, O'Neill and Barry. The Ennis mer-
chants were—Kenneally, Coffey, and Moloney &
Son. Miltown was represented by Messrs M'Mahon
& Son, and Leahy. The only home buyer was
Mr. James Griffu. The butter all round was ac-
knowledged to be of excellent quality. There is
one draw back to people attending this
market, and only one, that is the want of
a suitable market house. It is a pity that the
picturesque and thriving little town of the cas-
cades should be an exception in this respect to
other towns in the county of less pretensions. In
scariff a market house has lately been erected,
and a butter trade opened by the exertions of the
townspeople, and it is time that a move should
be made in a like direction by the people of
Ennistymon. It has a resident proprietor, who
ought to take an interest in promoting local
trade and industry, and if the townspeople would
approach Mr MacNamara on the subject we have
no doubt that gentleman would be glad to do the
principal part in carrying out such a desirable
and needful improvement.

Croom Pig Market.

THE next Market will be held on
TUESDAY, the 20th INSTANT. Buyers
from Cork, Limerick, and Waterford are pledged
to attend each market.
