ADVICE TO MOTHERS.—Are you broken in your rest by a
sick child suffering with the pain of cutting teeth? Go at
once to a chemist and get a bottle of Mrs Winslow's Soothing
Syrup. It will relieve the poor sufferer immediately. It is
perfectly harmless and pleasant to taste; it produces
natural quiet sleep, by relieving the child from pain, and
the little cherub awakes "as bright as a button." It
soothes the child, it softens the gums, allays all pain, re-
lieves wind, regulates the bowels, and is the best known
remedy for dysentery and diarrhoea, whether arising from
teething or other causes. Mrs Winslow's Soothing Syrup
is sold by Medicine Dealers everywhere at 1s 1d per bottle.
