

THE LIMERICK CHRONICLE. SATURDAY

Several panes of glass were maliciously broken in one of the windows of the City Courthouse, last night, or early this morning, the act probably being that of some mischievous youth, or youths.

Mr F St O Hobson, visited the village of Loughill, in the western portion of this county, yesterday, and evicted a number of householders, all of whom were subsequently admitted as caretakers.

We are glad to notice that Mr F R Benson, the well-known Shakesperian actor, who has been seriously ill at Stratford-on-Avon, has much improved, and his speedy convalescence is now confidently expected.

THE LATE MR WILLIAM C PURDON, J.P.—The remains of this deeply lamented young gentleman will leave Tinerana for interment at O'Connell's churchyard, at 12 o'clock, on next Wednesday, 17th instant.

DEATH OF A LIMERICK GENTLEMAN AT CHICAGO.—Very sincere regret is felt in Limerick at the sad death of Captain Edward Croker, Adjutant of the English Military Tournament at the World's Fair, who, as reported in our telegrams of last issue, sustained fatal injuries by a fall from his horse on Monday. Captain Croker was formerly Sub-Sheriff of Clare, and was a younger brother of Mr H. S. Croker, D. L. Ballinagarde.

FISHING AT CASTLECONNELL.—Fishing has been dull during the past week, as the water was too low for such bright weather. A change to rain seems imminent, and should such occur, anglers may hope for better luck. On Prospect fishery, Mr G C Williams got 1 salmon, 3lbs, on the 10th inst, and on Newgarden, 5th, 1 salmon 17lbs; 6th, 1 salmon 17lbs. On Summerhill and DeBurgho, Mr J H Wheatley got 1 salmon, 9lbs, on 12th. Captain Vansittart, on Worldsend, got 1 salmon, 12lbs, on 6th—Cox.

CHRISTY MINSTREL ENTERTAINMENT AT THE THEATRE ROYAL.—We publish in our advertising columns particulars of a christy minstrel performance in connection with the St Joseph Boys' Orphanage and Industrial Schools, to be held in the Theatre Royal on Friday evening, the 19th instant. There will also be a hand concert together with musical exercises, all of which should go to make up a most enjoyable evening. The Industrial Schools deserve well of the public, and we hope to see a crowded house on the forthcoming occasion.

THE PROTESTANT YOUNG MEN'S ASSOCIATION EXCURSION TO KILLARNEY.

Whit-Monday is now close upon us, and it is scarcely necessary to remind our readers that the Protestant Young Men's Association have arranged an excursion to Killarney on that day. Rarely have Limerick people such an opportunity of enjoying a day at this far-famed spot, which everyone is anxious to visit, even if only to obtain a "bird's-eye view." The forthcoming excursion will give excursionists seven hours at Killarney, and this time, if properly utilised, will enable them to see most of the places of interest, particulars of which are given in a very useful little programme issued by the Association. A map of Killarney is very carefully marked, and anyone taking a glance at it can easily make up his mind where to go. We notice that there are five different trips mapped out in the programme. These are as follows:—

1.—Gap of Dunloe and down Lakes by boat. Probable cost including car, boat and entrance
