man, in moving the adoption of the
statement of accounts, said it was his
to say a few words about the busi-
ness during the past year, as disclosed
report which was in the hands of the

He thought they had every reason
satisfied with the report. In spite of
slackness of trade, and the very
money, they had not only been able
their usual dividend of 10 per cent.,
the past six months to add £5,000 to
fund (which now stood at £195,000,
figure ever touched since the bank
in 1825, and to write off £2,500 on
bank premises. He felt sure this was
could not fail to please proprietors,
and shareholders, (hear, hear).

of the report showed the very
on in which the bank was. They
meet 50 per cent of their liabilities
without delay. Their paid deposits
better on the year, but their circu-
£6,000 less. This was caused by the
cattle and stock in Ireland. Other
had suffered in a like manner. With
ice sheet as was before them there
left for him to say, but he might
they had very fully written off
doubtful debts as usual. At
y had no reason to expect any
bank on account of the recent
grain trade in Dublin. It was
e meetings to say a few words as to
trade and agriculture in Ireland.

had turned out fairly well, but
too low to be remunerative. The
was good, and there had been no dis-
for a great portion of the year were
eable, and graziers must have suf-
ferably on stock purchases in the
ny who would in the ordinary course
e sold cattle in the month of Nov-
old over their stock in the hope of
es next spring. The present year
tern favourable, owing to the low
ing stock leaving a margin of profit
resent quotations. Before formally
e adoption of the report, he would be
