COMMERCIAL BICYCLE CLUB.

The final 13 miles race for the "Humber" and two other valuable prizes, was decided over the Rosbrien course on Wednesday evening last, under very favourable auspices. Only four out of the half dozen entitled to shares in the prizes started in the final, Wilson and Allsop being the absentees. The final was very exciting, Walpole just getting home in front of Cole by a few yards, while Conyers was also close up. Gubbins lost a lot of ground by puncturing and having to change his machine. On the aggregate score for the two races Cole secures the Humber prize, being first in the previous trial, and now second, while Walpole gets second, and Conyers and Gubbins being equal (6 points each), have agreed to decide their claim to 3rd prize, in the race for the "Spain" Cup, which is to be run off on Wednesday week. Cole rode his races pluckily and well, and is to be congratulated on securing such a valuable trophy. The starting and timing was well got through by Messrs J J Kenna and J Heaney. Details:—

	Start. min secs	Net time, min secs
W Walpole	4 0	44 0
E Cole	6 0	48 5
E Conyers	5 35	46 25
H Gubbins	4 25	not timed.
