**FUNERAL OF THE LATE MRS GAVIN.**—In the report of the funeral of the late Mrs Gavin, relict of the late Major George O'Halloran Gavin, J P, D L, Kilpeacon, we should have stated that it had been arranged for Saturday, but owing to instructions found in the deceased lady's will that it should be perfectly private it was changed to the previous day. This wish was characteristic of the late Mrs Gavin, who lived a quiet, retiring, and useful life, anxious to do all that in her lay for the welfare of her neighbours, while to the poor she was ever a staunch and sympathetic friend. Her death is deeply deplored by all classes and creeds in the district, and the utmost sympathy is expressed with her family in their affliction.

**FORTHCOMING VISIT OF LADY ABERDEEN TO LIMERICK.**

The Countess of Aberdeen will arrive in Limerick by the evening train from Trales on Thursday evening week, and on the following day her ladyship will visit the various industrial institutions of the city. We are sure the citizens will avail themselves of the opportunity of showing their appreciation of the efforts of Lady Aberdeen on behalf of Irish industries, and that they will, as on a previous occasion, receive her ladyship with the cordiality and heartiness which she so well deserves. At a meeting of the whole house of the Corporation to-day, Mr W L Stokes, J P, and Mr F S King, on behalf of Mr A W Shaw, J P, attended to intimate the fact of her Ladyship's visit. It was unanimously agreed that the Corporation should meet her Ladyship, and the arrangements in connection with the Countess's reception were left in the hands of the Mayor and some members of the Corporation. During her visit, the Countess of Aberdeen will be the guest of Mr A W Shaw at Roxboro'.

**MANCHESTER REGIMENT.**

Lieutenant-Colonel Marryat, commanding the 1st Bde Manchester Regiment stationed in this garrison, completes on next Thursday his term of service in command, to which he was appointed on the 31st May, 1890, in succession to Colonel Ryan, when the Regiment was quartered in Tipperary. The Military correspondent of a contemporary states:—"Great regret is felt among all ranks of the old 63rd at Lieut Col Marryat having to vacate the command, for he is a very popular colonel of the corps, and has earned the esteem of his subordinates of all ranks. Under him the 63 Regiment has well maintained its old reputation as a smart corps, and, without being too severe or making any pretence of being a model commanding officer. Colonel Marryat has, nevertheless, maintained excellent discipline in the corps, and he hands it over to his successor in a high state of efficiency. Major Anstruther, who is now the second in command of the battalion, will take over the command in succession to Lieutenant Colonel Marryat. He has been not
