

the use of music upon elephants. It is different; and we hope soon the County Councils, in their laud- to encourage technical education, and singing-classes for milkmaids.—

### THE RED MAN.

is (says the *New York Tribune*) keep and ghost dances, which come ary with the summer solstice, and of their savage and self-torturing they mutilate their persons and hang up by thongs inserted through the their arms and shoulders, and in all and continue the savage practices ng them when the white man first observations of them four centuries of course, is not true of all of them nt of certain tribes have developed ount of civilization and wear an its raiment, own real estate and untain schoolhouses; but it is still od many of them, showing that the civilization most useful to them to learn, and likely to re- until they reach the happy unds, where the white man intrudes re jerked buffalo blueberries and wild another Indian always at hand con- scalping, are fixed and invariable The red man has cost a good deal in ns and absorbed a good deal of neither of which has turned out a stment. He has also been perishing arth for a good while, but there is ncomplete and dilatory in his perish- re continues to hang round in an nduring manner, drawing rations and -paint when there is no war for him to and hungering for scalps when all the rop has long since been harvested. ything is said in his favour that can be act remains that he is a mahogany- ubus, useful only to enrich contractors raders and excite the imagination of d St Louis with the prospect of draw- central agency of his supplies from While he remains he must, of course, ed, but it is not necessary to admire y rate not till he changes some of his

t that the statesman or politician, as om the ordinary man, is supposed to character in his collars? We are all ith Mr Gladstone's choker, and Lord collar, though it lends itself less to aturist, is also being forced upon our he same tendency is noticed in France, asimir-Perier's turned-down collar has come popular in place of the stiff al- ety adopted by M. Carnot. After all, ors must have had some reason when a collar the distinctive badge of a rder.

daughter.
