Mr Shipley, the British delegate on the Sasun Commission, and Mr P. Prievalsky, the Russian Commissioner, have arrived at Constantinople, the latter bearing minutes of the sittings and the appendices to the report of foreign delegates. Several fresh arrests have been made at Constantinople of Armenians charged with complicity in recent assassinations of suspected spies there.

The Hungarian Ministry for Agriculture has just published a report of the wheat and rye crop throughout the world for the year 1895. Ac-

THE Convent is beautifully situated on a natural Terrace, and surrounded by extensive grounds, which afford ample recreation.

In front the delightful site of Suir, and commands a full and pleasant view of the finest quays in Europe. The ascending woodlands contribute to the beauty of the Convent, and render it one of the most appreciable centres of education in Ireland.

The Course of Instruction comprises the highest class English Education, Latin, French, Music (Piano and Violin), Singing, Drawing, Painting, Needlework (Plain and Fancy), and Science and Art Classes in connection with the South Kensington.

Pupils prepared for Intermediate and University Music Examinations, if desired.
