DEATH OF MR HENRY BEGLEY, PROBATE REGISTRAR.

Very general regret will be felt throughout the city at the announcement of the death of Mr Henry Begley, which occurred last night at his residence, Ceancora, Corbally. The deceased gentleman had been Propate Registrar for Lime-The deceased rick district for 25 years. For many years he was chief officer in the Probate Registry, Dublin, and he was also a Proctor practising in the old Prerogative Court. His long connection with Limerick, in the position which heloccupied, brought him into contact with a great many citizens and residents of the district, and ne public officer was more highly respected and esteemed than the late Mr Begley, who had reached the advanced age of 76 years. several years past Mr Bogley had been in delicate health, and for the last four months was unable to perform his duties, which were discharged by Mr King, acting as his deputy. The funeral takes place at ten o'clock on Monday for St Munchin's.

DEATH OF A POST OFFICE OFFICIAL

We regret to announce the death of Mr Henry J Neville, G PO, which took place at Barringtons, Hospital this morning after a tedious illness Mr Neville was connected with the Limerick Post or many years, and proved an official of great ability, so for many himself much so, that his advancement was unusually rapid. He occupied the position of Pro-vincial Charge Clerk, and in that capacity was temporarily located at various branches in this district. Then he was appointed Controller the Sorting Office, and has held post for some years back. Ωf that e years back h months For Bome he not been in good health, and he has now passed away in the prime of life, to the deep regret of his friends. A more courteous official it would be difficult to find. He possessed a most kindly and genial manner and was ever ready to give any assistance that it was in his power to render. He was a native of Newmarket, County Clare, and his brother is a District Superintendent on the Great Southern and Western Railway.

## STRIKE AT THE DOCKS.

Another strike of labourers has taken place at the docks. A sailing vessel, the "Lorton." 1,380 tons register, arrived in port on Thursday with a cargo of 2,660 tons of wheat from Portland, Oregon, for Messrs Bannatyne. It seems that the owners, who belong to the Shipping Federation, determined to discharge the cargo with steam winches, and accordingly the labourers, in order to mark their protest against this move, decided to strike work on the other vessels in the port, and which were being discharged by manual labour. As a result work was completely suspended at the docks both on yesterday and to-day. It is stated on good authority that it is the
