late Mr W Enright, of the Shannon Hotel, Castleconnell, passed the Honors Examination of the Royal College of Surgeons, taking sixth place in about 70 candidates.

**FOOTBALL.**—We understand Mr T G Transfield (The Circus), has kindly presented a silver cup for competition amongst the junior Rugby clubs of the city, to be played for annually. The first match will take place on the King's Island on Saturday, at 4.30. Admission will be free, and it is expected a good number will attend to witness the game.

**ROYAL ARTILLERY.**—The Irish Artillery practice will open at the end of next month. The second division, which includes the 11th Field Battery at Clonmel and the 76th Battery from Longford will commence practice on the 7th June and the fourth division, which consists of the 25 Field Battery from Limerick and the 87th Battery at Fermoy will commence work on July 25th.

**SAD FATAL ACCIDENT.**—Mr M J McDonnell coroner, held an inquest on Wednesday evening at Ballinvoher, near Miltown, on the body of a farmer named James Kenerk, who met his death the previous evening when returning from Rathkeale, by falling from his car. Deceased was conveyed home unconscious and died in a few hours without regaining consciousness. The jury returned a verdict of accidental death.—*Cor.*

**MORTALITY STATISTICS.**—The average annual death-rate represented by the deaths registered last week in the sixteen principal Town Districts of Ireland was 34.8 per 1,000 of the population. The deaths registered in the several towns, alphabetically arranged, corresponded to the following annual rates per 1,000:—Armagh, 21.0; Belfast, 35.9; Cork, 24.; Drogheda, 26.4; Dublin, 42.4; Dundalk, 46.1; Galway, 49.1; Kilkenny, 9.4; Limerick, 16.8; Lisburn, 25.7; Londonderry, 17.3; Lurgan, 31.9; Newry, 24.1; Sligo, 35.6; Waterford, 15.0; Wexford, 31.6. The deaths from the principal zymotic diseases in the 16 districts during last week were equal to an annual rate of 1.6 per 1,000, the rates varying from 0.0 in ten of the districts to 4.6 in Lurgan; the 7 deaths from all causes registered in that district comprising 1 from measles. Among the 188 deaths from all causes registered in Belfast are 2 from measles, 1 from typhus, 1 from whooping-cough, 1 from simple continued fever, 3 from enteric fever, and 4 from diarrhoea.

**MR GARTHORNE'S COMPANY.**  
It will be seen by advertisement that Mr C W Garthorne and his London company will make a return visit to Limerick on Easter Monday, when they commence a week's engagement at the Theatre Royal. Mr Garthorne is well and favourably known in this city. He is an actor of the highest ability, and occupies an especially prominent position by his admirable representation of military characters. This is not to be wondered at, as Mr Garthorne was, like his brother, Mr W H Kendal, originally intended for the Army. His "Captain Chrichton" in *Impulse* has been a tremendous success, showing, as it does, his singular aptitude for such a role, and the thoroughly realistic manner in which he portrays it. It is now just twelve months since this company last appeared here, and we recollect they were accorded crowded houses. We have no doubt they will be similarly supported during the coming engagement, when such popular dramas as *Impulse*, *The Queen's Shilling*, and *The Colonel* will be produced.

spected family. He cordially supported a vote of congratulation being passed by the Town Commissioners.

Mr Joseph Finucane, T.C., said Mr Reeves was at all times found to be a true friend of the people, and no one would go further to promote the interests of the inhabitants of Kilrush, while there were no more charitable or benevolent ladies than the Misses Reeves (hear, hear.)

Mr Luke O'Brien, T.C., said too much could not be said of Mr Reeves's goodness. He co-operated with the Town Commissioners in their efforts to improve the Port of Kilrush, and was always ready to do anything that would tend to improve the condition of the people. There was no better landlord in all Ireland. It was not trotting round the globe Mr Reeves was, but always at home spending his income amongst the people. Whatever his income was—and he wished it was twenty times more—it remained with the people and served business all round (applause).

Mr J Reidy also supported the proposition. After some further complimentary speeches, on the motion of Mr Kelly, seconded by Mr O'Brien, a resolution was unanimously passed offering the congratulations of the Town Commissioners to Mr and Mrs Reeves, on the occasion of the marriage of their daughters.

The board then adjourned.

## MR MAGUIRE'S MARRIAGE.

The marriage of Mr Maguire, M.P., and Miss Peel is now definitely arranged to take place at St Margaret's, Westminster, at two o'clock on Wednesday, April 24th. The service will be fully choral. Several special pieces of music are being composed, and will be rendered on the occasion. The admission will be by ticket. The Bishop of Derry will conduct the ceremony. Mr Maguire will be supported by Mr Schomberg McDonnell as best man, and there will be seven bridesmaids. Members of both Houses of Parliament will attend the reception, and subsequently the wedded couple will leave for Waddesdon Manor, Aylesbury, kindly lent by Baron Rothschild, M.P., for the honeymoon. The presents already are exceedingly numerous.

## THE LIMERICK STEAMSHIP COMPANY'S NEW STEAMER.

The new steamer, "Kincora," built for the Limerick Steamship Company, to trade between Limerick and Liverpool, made her first visit to Limerick yesterday. The "Kincora" was inspected by a good many local traders, and a special feature observable in her construction was the splendid accommodation provided for cattle and general cargo. In other respects the vessel is admirably equipped. When berthing the "Kincora" came slightly in contact with a turf boat, and a barque called the "Ardweaki," but the damage in either case is extremely slight. The "Kincora" herself sustained no injury whatever, and proceeded to Liverpool yesterday evening.

## R. YAL IRISH REGIMENTAL RACES. (POINT-TO-POINT.)

These events, which were incorrectly described as County Limerick Hunt Point-to-Point Races, will be held at Banogue on Easter Monday. There are three events—viz, a regimental race at one o'clock, a farmers race of £21 (presented by officers Royal Irish), weight 12st, which will be run at two o'clock, and at three o'clock there will be a farmers' race of £21 (presented by the County Limerick Hunt), weight 14st. The entries for the farmers' races, which are free, close to-morrow at 12 o'clock with Lieutenant French, Royal Irish, New Barracks, or with the Masters, County Club.
