The names of Mrs Massy, Stoneville, Mr E Westropp, Mr Edward O'Grady, Mr T M'Donnell, Mr James Nolan, were inadvertently omitted from those who attended the funeral of the late Mrs Massy, and the names of Mrs Wardell, Old Abbey, Mr R Westropp, J P, Phillipstown, Miss W McDonnell, Rathkeale, and Mr Frank Fosbery, Clorane, from those who sent carriages.

NENAGH FLOAL AND HORTICULTURAL SOCIETY SHOW.

This Society held its annual Show in the Lecture Hall, Nenagh, on Thursday, and in point of attendance of visitors and the number and quality of the exhibits, it proved a highly creditable success. The popularity of the Show is widespread and well-established; and as each succeeding year is adding to its reputation, Thursday's exhibition, following on good precedents, exceeded in brilliancy and merits the best efforts of the society in the past.

CITY POLICE COURT.—THIS DAY.

(Before Mr Hickson, R.M.)

Head-Constable Feeny charged a wo named Bridget Carroll with being drunk night. The Head-Constable that she brought to the John-street barracks by sister, who complained that she could not with the accused, who was out of her mind had been in the asylum several times.

Mr Hickson said that the charge was only of common drunkenness, and unless informat were sworn against her, he would only deal the case as such.

THE GIRALDA.

The average speed of Mr McCalmont's steam yacht Giralda, which has just won International Mediterranean Cup, exceeded ing the race 22 miles an hour. The engin the Giralda are said to be the best ever sent the Clyde. Chief Engineer Dalas, in speakin the engine-room during the race, said tha temperature was from 115 to 118 degrees. rotations of the double screws were about 4 the minute. Half a dozen men almost n poured oil on the shafts from large syrin thirty-five gallons of oil were consumed. "F now and again," said Mr Dalas, "man after was compelled to go aloft to breathe fresh You visited the engine-room at your peri perfect douche—a mixture of steam and squirted out upon you, but the sight wa to repay a'l such disagreeablenesses. machinery of the Giralda has no gaudy fix but it strikes you forcibly as being mach meant to go. It is splendid to look at, a l to the best of engineers."
