FOOTBALL.

A very important match, and the last to come
off here this side of Xmas, will be played between
Queen's College, Cork, and Garryowen, on
Wednesday next in the Market Field at 2.30
o'clock. Queen's College are very strong this
year, and as on the last occasion Garryowen
beat them by only a goal, the teams
are considered to be pretty evenly matched.
There should therefore be a very big attendance
and we hope the gate returns will be much larger
than at previous matches, as they were by no
means as satisfactory as they should have been,
considering the dimensions of the gathering.
Saw-dust will be placed on the Grand Stand, so
that everything under foot will be dry, and there
will be less chance of colds, which are so persis-
tent at this time of the year.
