

Egan, Alderman Riordan, Mr Power, Mr Donnelly, and the Mayor, with any other members available, should draft a statement to be submitted to all the mortgagees urging an agreement to a reduction of four per cent, or otherwise the Economic Society would be permitted to appoint a receiver.

Alderman Riordan suggested that any money on hands should be paid to the persons whose interest was longest in arrears, and let the others stand.

The Secretary—We will take the current expenses out of it.

Alderman Riordan—Oh, yes.

Mr Donnellan thought some action should be taken to have a deputation appointed to meet the Corporation, as Mr Donnelly suggested.

Mr Power—We will be glad to attend on a committee, but we will have no powers except to give information.

The meeting then adjourned.

TO MOTHERS.—Mrs Winslow's Soothing Syrup has been used over fifty years by millions of mothers for their children while teething with perfect success. It will relieve the poor sufferer immediately. It is pleasant to taste; it produces natural, quiet sleep, by relieving the child from pain, and the little cherub awakes "as bright as a button." Of all Chemists, 1s 1½ per bottle. (March 2.)

At the Old Bailey Bailey to-day a lighterman named James Price was sentenced to three years penal servitude for perjury. The prisoner obtained from the South Metropolitan Gas Company £12 damages for alleged injuries through an explosion on the Southwark Bridge, but later inquiry showed the claim was a bogus one.
