COUNTY LIMERICK HUNT POINT-TO-POINT
RACES—We understand some twenty entries have
been received for the Phelps Challenge Cup.
They will appear in our next, as also when the
meet will take place.

THE HUNT CONCERT.—The above concert,
which takes place on 16th and 17th April,
promises to be a very attractive entertainment.
The leading amateurs of the City and County
will take part in the concert and dramatic per-
formance, and the management hope to be able
to secure some professional talent of excep-
tionally brilliant character.

DEATH OF MR. VEEB HUNT, J.P.—This re-
spected gentleman died this week at his residence,
High Park, near Cappawhite, at the venerable
age of 81 years. Deceased was an old member
of the Grand Jury for the North Riding of
Tipperary, and as a landed proprietor and
magistrate he was most popular. The funeral
which took place yesterday, was attended by all
classes and creeds.

ZENANA MISSION.—It will be perceived by
advertisement that a Sale of Work in aid of the
Zenana Mission will be held in the Havergal
Hall, Glentworth street, on Saturday next. We
have no doubt that this highly deserving cause
will attract a large attendance, and that the
bazaar will be most successful. Doors will be
open from one to four o'clock in the afternoon,
and at seven in the evening.

SIXMILE-BRIDGE PETTY SESSIONS.—The above
Sessions were held on Tuesday, before Mr
Solomon Frost (presiding) and Mr A. N. Brady,
B.M. There was a number of cases at the suit
of the Constabulary against parties for having
dogs unmuzzled, and fines of 2s 6d and costs
were imposed. Several cases were adjourned,
owing to the absence of the constabulary at the
Kilkishen races. After dealing with some cases
of no further interest, the Court adjourned.

FISHING AT CASTLECONNELL.—The water is now
rather too high for successful fishing, but should
it cease to rise, sport would be better than it has
been during the past week, as a large number of
salmon are ascending the river. On Newgarden,
Mr G C Williams killed one salmon, 21lbs, on
17th, and one salmon, 28lbs, on 18th. On Her-
mitage, Mr W C Jones killed one salmon, 14lbs,
on 1 th, and one salmon, 18lbs, on 19th. On
Woodlands, Mr A W Cox killed one salmon, 9lbs,
on 18th. On Summerhill and DeBurgho, Major
C Hayes-Newington, killed two salmon 14 and
25lbs, on 19th.

ST. MARY'S CATHEDRAL ORGAN RECITALS.—
There was a large attendance at Mr Muspratt's
Organ Recitals at St Mary's Cathedral this
afternoon. The following programme was highly
appreciated—Allergo (Handel), Meditation
