AUSTRIA AND TURKEY.
Up to last evening the Turkish Government
had not submitted to the demand of Austria for
the dismissal of the Governor and other authori-
ties of Mersina district and the saluting of the
Austrian flag in presence of a representative of
the Austrian Embassy. The Austrian Govern-
ment insists that with this question a difficulty
regarding the Eastern railways shall also be
removed. The time for compliance will expire at
noon to-day. The Turkish Government yesterday
intimated its readiness to comply with the
demand as regards Mersina, but Austria requires
that the Eastern railways question shall be
promptly settled also, and in default of settle-
ment of both questions Mersina will be bom-
barded by an Austrian squadron.
