**THE LATE MR. HAYES, INSPECTOR OF NIGHT  
WATCH.**—The Town Council has decided to take  
steps to raise a testimonial for the benefit of the  
widow and family of the late Mr Hayes, Inspector  
of the Night Watch. Mr Hayes, a most courteous  
and obliging official, had been for a period of over  
33 years in the position, and while his health  
permitted discharged his duties most ener-  
getically. His family are much in need of financial  
help, and we are sure the appeal made on their  
behalf will meet with a liberal response. Sub-  
scriptions will be received by the Mayor and  
City Treasurer.

During shunting operations for the purpose of  
attaching wagons to the 6.45 p.m. train from  
Waterford on last Saturday, the up line at  
Clonmel became blocked by three wagons. The  
mishap is attributed to the points being wrongly  
set which threw one of the wagons completely off  
the line, and partially derailed another. The  
third, which contained cattle, was jammed between  
the others, but no damage worth speaking of was  
done. As the accident only blocked one line the  
general traffic was not materially interfered with.
