

Critics have been of a kind  
 arisen three months ago, might  
 course of events. The President  
 But such discoveries do not in  
 is conviction that the war was  
 vitable; still less do they affect  
 it shall be pursued. Our  
 as may be less interesting than  
 fabric of lies which they and  
 this country built up towers  
 hen suspected. But this war  
 do not in any way depend on  
 less or incapacity of such  
 have come in contact with at  
 re there to free a suffering  
 ish misraie, and till that end  
 we will stay. Such is the  
 who know the President's mind

**SPAN'S FUTURE.**

have learned a good deal from  
 out nothing likely to make a  
 n upon them than the discovery  
 rebels, on whose behalf the war  
 are a worthless lot of rogues,  
 ng of any sympathy or help,  
 ork or fight, and rob the Ameri-  
 vouring the United States, nat-  
 ly angry because General Shafter  
 Santiago over to their tender  
 strained have the relations be-  
 d their "allies" because that  
 munication passes between the  
 situation, if it were not for the  
 events in it, may well be termed  
 was undertaken, so the world was  
 Kinley, for philanthropic reasons;  
 down-trodden Cubans of their  
 ers, and to hand the government  
 de Artillas over to the rebel-  
 ter the struggle has been pro-  
 e months, and all its attendant  
 es, the Americans discover that  
 a rogue and the Spaniard the  
 erving of sympathy. General  
 we are informed this morning  
 with the Spaniards, whereas the  
 provokes instantaneous profanity  
 lean soldier." Yet the pity  
 the United States Government is  
 dge to hand the Government of  
 o the now hated insurgents. It  
 a great stretch of imagination to  
 ach thing is done Cuba will be  
 n the face of civilisation, and  
 ts will be immeasurably worse  
 f, on the other hand, the United  
 the control of the island to  
 will have to carry out a war  
 people whom they originally  
 And if that comes to pass, for  
 ain may ask, has she been robbed  
 sion?—Globe

sie, "the Father of the British  
 Chester yesterday in his 96th
