The entries are the best ever received, and grand
contests will be witnessed. The great tug-of-war
between Waterford R.I.C. and Limerick R.I.C. will
prove an interesting event. The band of the
East Yorkshire Regiment (Tipperary) has been
specially engaged.

DEATH OF MR THOMAS HARTIGAN, P.L.G.

We regret having to announce the death of
Mr Thomas Hartigan which occurred this
morning at his residence, Ballynauty. Mr
Hartigan was for many years a member of the
Limerick Corporation and the Board of Guar-
dians, and his death, at a rather early age, is a
cause of deep regret to a wide circle of friends.
Mr Hartigan had not been long ailing, and his
death is due to a recurrence of a malady from
which he had been for some time under medical
treatment.

FISHING IN THE LOWER SHANNON.

There has been a decided improvement in the
salmon fishing in the Lower Shannon for the
past ten days or so. Several of the stake weirs
have had good catches of peal, and the drift-net
boats too are doing fairly well. The peal this
year are very small, averaging but 4lbs, and some
of them have been caught weighing only 2lbs.
The price (10d per lb) is a good one, and this, in

Limerick, which includes Misses Joseph
Stewart, Wesley Hanna, and A V Wat-
son, recitations by Mr W. Lauder (Gold M-
solos by Miss Jackson Jones, and Mr
Wyatt, Adare Manor; recitations by
Crookshank and Rev John E' Green;
the Misses Switzer, Ballingarry. The
people were very fortunate in secur-
services of Mr James A. Boyd, Orga-
Munchin's, Limerick, who presided
harmonium at the open-air service,
organ in the evening. Mr Boyd enliv-
evening proceedings very much by a
mental solo on the American Organ,
opportunity is taken of thanking all the
so kindly gave their services.

After the usual vote of thanks, pro-
Rev A A Crawford and seconded by
Barkman, one of the most enjoyable
held in Adare was brought to a clo-
pronouncing of the Benediction.
