BACKING THE FAVOURITE does not always bring pleasure or profit to those concerned in it. Frequently the horse no one thinks much about wins, and those who gain anything are few and far between. This cannot be said with reference to Holloway's Pills and Ointment, for they never disappoint those who place faith in their merits. With reference to the Ointment, medical men are so convinced of its merits that they recommend it to patients as the best remedy within their ex-
