INDIA.
 of greater importance which will prevail in India. Is the desolating another year with intense rains of the present. That is the question that anxious thoughts of the Lord Curzon bears little of the sky with as much awaited the sound. As yet the accounts give or the other. The month itself, and "reports expectancy." On the west is said to be weak, and r inland as yet over the therefore no improvement. On the other hand, there Burma and in the north is satisfactory to note that is generally decreasing. the weather will be awaited his country.
