

... nice year and a half olds at £9 5s.

The sheep fair but trade was somewhat dull, and prices were on the down grade. The top price was 51s. 3d. for a lot of fat beasts got by Mr. Thomas Crowe, D.L. Good lambs went as high as 27s., and other sorts down to 20s. Mr. M. O'Donoghue, Comeely, sold 50 at 45s.; Mr. J. Lynch, J.P., sold 50 at 41s., and 50 at 37s.

There was as usual an immense show of bulls, in which there was a brisk business, prices going from £14 to £22 10s.

In the equine branch of the fair there was a good display in point of numbers, but poor as regards class. Prices went from £12 to £25 for good agricultural animals, and for harness horses or cabbars went from £17 to £35. A lot of foals changed hands at from £8 to £14.

## BETTING RAID IN TIPPERARY.

Yesterday afternoon some sensation was caused in Tipperary by the police making a raid on the establishment of a reputed commission agent, named Hourigan, holding an office in James's street. Sergeant Armstrong entered Mr Hourigan's office about 2 o'clock and found several men there, whom he placed under arrest. He seized some books and documents and a sum of money. Mr. Hourigan was also taken into custody. The parties found on the premises were discharged on summons, and Mr Hourigan was liberated on substantial bail. The cases will be heard at the Petty Sessions in Tipperary.

## HOLLOWAY'S OINTMENT AND PILLS.

Good spirits. Everyone has frequently experienced sudden personal changes from gaiety to gloom. The wind and weather oftentimes receive the blame when a faulty digestion is alone the cause of the depression. Holloway's Pills can be honestly recommended for regulating a disordered stomach and improving digestion. They entirely remove the sense of fullness and oppression after eating. They clear the furred tongue, and act as a wholesome stimulant to the liver, and a gentle aperient to the bowels. They healthfully rouse both body and mind. Holloway's Pills are the best antidotes for want of appetite, nausea, flatulency, heartburn, languor, depression, and that apathy so characteristic of chronic derangement of the digestion.
