RIOTING IN GRIMSBY.

Rioting was resumed in Grimsby this morning. A large crowd assembled outside the old offices of the Owners' Federation, and a number of youths, practically unassociated with the fishermen and engineers, commenced storming the building. Chief Constable Starling and some dozen officers exhorted the mob to desist, and threatened to send for reinforcements if the disorder continued. This was greeted with ironical cheers, and the crowd next proceeded to the offices of Hagerna, Doughty, and Co., of which the borough member is partner, and smashed every window in the place. Mr. Walter Wood (Chairman Disputes Committee), Mr. Collins (Engineers' Secretary), Mr. Bennett (Secretary of the National Union), Mr. Carruthers (of the engineers), and Mr. Porteous (Chairman Relief Committee) got between the mob and the offices, and after some trouble Mr. Wood succeeded in addressing the crowd. He pointed out that the disturbances were bound to alienate public sympathy and lose the men's case. His remarks had the effect of subduing the outbreak, but the attitude of the mob is very threatening.

Owing to a request for assistance, Commander Scott, Chief Constable of Sheffield, has sent three inspectors and 180 men to Grimsby.

PRETTY WEDDING.

A very pretty wedding was solemnised in St. Mary's Church, Clonmel, on Tuesday last, between Rev. Arthur Ernest Davis, Rector of Killaloan, Clonmel (son of the late Luke Davis, Esq., Landed Estates Court, Dublin, and of Mrs. Davis, Sydenham Place, Dublin), and Florence Mary, eldest daughter of Henry James Bouchier, Esq., of Baggotstown House, County Limerick, C.I. Royal Irish Constabulary, Melbrook, Clonmel. The ceremony was performed by the Rev. E. Otway-Herbert, uncle of the bridegroom, assisted by the Ven. the Archdeacon, of Lismore, Rector of the parish. The chancel was beautifully decorated with white flowers. There was a very large congregation in the church, and the happy event was regarded with the greatest possible interest.

DEATH OF MR. JOHN DORGAN.

Widespread sympathy is expressed for Mr. John Dorgan, the esteemed and popular Poor Rate Collector of the Ballingarry district of Croom Union, consequent on the death of his respected father, Mr. John Dorgan, which occurred at Castletown Conyers on Monday, at the fine old age of 81 years. In the early days of the Land League movement Mr. Dorgan was evicted from an extensive farm of land at Cappanahane, and from that period until a short time previous to his demise he and his family were the occupants of a "Land League hut," provided for them by the executive of the organisation, who also forwarded them periodical grants towards their maintenance. The funeral which accompanied the remains on Tuesday for interment in Bohernakill Cemetery was very large and representative.
