

... of cross-examination the witness he could not tell what happened to Mr. he had also heard that a man named of typhoid in the prison; he had never to-day that a man-hole was choked, nor Linnane complain to him about the pipe ... Linnane said that that was after the visit. The Mayor, he said, paid very attention to the Clare prisoners; he was Kilkee. ... ver to Mr. Lynch, the Mayor said he did ove of the system of prisoners being on Sunday at 12.30 till Monday morn- r on the Mayor stated, not by way of ogy to Mr. Linnane, that he had to a severe operation himself and had been to Kilkee, and he presumed his locum ited the prison regularly. ... spector was certain that public opinion, eted the Mayor, had the utmost confi- to the manner in which he performed his quiry was then adjourned to next day.

TO-DAY'S HEARING.

resumed hearing to-day, Mr. Michael an, Governor of the Prison for the last said Mr. Flanagan was certified to benefit labour and was allowed to wear his own as was also Mr. P. J. Linnane; Mr. n was put to chopping wood titioned off sheds for a month ed on the disused prison, but was no part he sanitary arrangements of the place perfect working order, and when one out of order it was immediately set right, is could not be done, no prisoners were in the yard. Boiled filtered water, with tached, was always kept for prisoners' purposes, and all such water was taken e main, and not from any cistern. The gave further details, showing that as complained of could not have occurred, old prison had all modern appliances for and ventilation, and the cells were good y. When Mr. Flanagan left the stobe- the 17th July he was employed in car- work till the day before he got sick, he happy and contented, never made any nts; never slept on a plank bed except ys. the 18th and 19th June; had generous l extra milk until he got ill. Neither he Linnane were put with the other pri- because of their position in life, as he did nt them to mix with prisoners whom they ave committed as magistrates. ... ctor—Quite right. ... ply to Mr. Lynch, witness said the prison good as any in Ireland. There was no hoked at any time, but there was a pipe to the sewer from the w.c., and this was ed immediately. He denied that the old of the prison was damp, and could not say e typhoid got into the gaol. ... ic Inspector—The Medical Officer made a y inspection of the prison; Mr. Redmond Mr. Flanagan on the 6th August, the in- taking place in the clerk's office, as he care to bring Mr. Redmond into what was he crib. Mr. Flanagan told Mr. Redmond presence of the chief warden and the clerk was well treated, that he was getting on ell, and that neither he nor five others who ith him had any complaint. Mr. Redmond ppressed himself satisfied and pleased with y they had been treated. Inspector asked Mr. Lynch if he had any if this intervew occurred. Lynch said no. ... vector—Because if you had I would have it down Mr. Redmond. It is very hard for
