WANTED A WATER SUPPLY.

An application was read from a farmer named Haren, Kilmaley, for a water supply at the waterworks.

This is the same man who had been fined 40s and costs at Ennis town court on Friday for polluting the water service.

Mr. O'Connor strongly opposed the application, or he could not guarantee a supply to the town.

The Chairman said they could not entertain the application.

AT LAST.

Mr. O'Mahony once more renewed his application to be granted a lease of the waste ground at the approach to the Railway Station. There existed a strong doubt as to the Council's power to grant a lease, but eventually they decided to grant one for 99 years at £2 a year.

The other business was routine.
