WEEKLY SALE AT THE AGRICULTURAL HALL.

To-day, at their Repository, Messrs. Ebrill Bros. held their usual weekly sale. As the season is now drawing to a close entries show a considerable falling off in numbers and quality. This day's programme, numbering upwards of 60 head, incalf heifers with condition and quality were, as usual, readily sold, and these heifers continue to sell at irregular rates. Thick, short heifers are readily sought after, and at present are dearer than any other class. Store cattle are easy to sell, and good two-year old heifers are in great demand. Incalf heifers sold from £16 10s. to £10 10s. dairy cows, £14 to £7 10s.; yearling, £8 to £4 5s.; 1½ year old £7.
