The death of Miss Jane F. Daly, daughter of Mr. P. Daly, Mill street, Ennis, is announced as occurring on Wednesday. Her demise will be re tted in many quarters, for her gentle, ami- able disposition had won for her the love of all who knew her. The funeral took place yester- day.

It is announced elsewhere in our columns that the Model School authorities intend holding special commercial classes this year. As the school is ably staffed, efficiently equipped, and very commodious, it is to be hoped the venture will be taken advantage of. The principal will be glad to supply any information to inquirers.

At the Tulla Petty Sessions on Thursday, before Messrs. P. J. Kelly and P. McGrath, District Inspector Smyth summoned Mr. Thomas McGrath, publican, of the same town, for a breach of the Licensing Act. Defendant deposed that he supplied no drink to anyone after ten o'clock and that the men who were inside had a drink at a quarter to nine. The case was dis- missed.

The many friends and acquaintances of Mr. Spencer Lyons, Chairman of the Limerick Gaelic County Board, especially the Gaels and sporting men of Ireland, will be glad to learn that he is now so far recovered from his long and at one- time rather dangerous illness as to be allowed out of bed for the last few days. At Croom his tall and manly form has been sadly missed for the past six or or eight weeks from the Gaelic field, but it is a pleasure to his numerous friends to know that he will ere long be once more amongst them.

We are glad to learn—as will all his friends in Kilrush, and the entire county, and they are legion—of the high position conferred on Mr. P. W. Gibson—a worthy Kilrush man—who is being appointed on the management of the White Star Steamship Company at New York. Our people going to America have always found in Mr. Gibson a true friend. He has never turned his back on anyone from Clare needing a friend. That is well known. As a most successful Kilrush gentleman we beg to offer Mr. Gibson our sincere congratula- tions.—*Kilrush Herald.*
