and T. Phillips, St. Johns, who are dracketed equal. Miss H. P. Hudson, of Newnham, is the only woman wrangler. Mr. Barnes is a native of Birmingham, and was educated at King Edward's School, Birmingham. Mr. Gould comes from Anstey, near Coventry, and was educated at Coleshill Grammar School and Mason's College, Birmingham. Mr. Hills is a native of Landport, and was educated at the City of London School. Mr. Phillips was born at Risea, Monmouthshire, and educated at Chiltenham College. Miss Hudson was born in Cambridgeshire, is a daughter of Professor Hudson, of the King's College, London.

FUNERAL OF MRS LATTIMORE.

The funeral of the late Mrs. Lattimore, wife of Mr. Ralph Lattimore, Manager Messrs Spaight and Sons, whose very sad and premature demise we reported in our last issue, took place on Sunday afternoon for St. Munchin's Church. The cortege was of extremely large proportions, a striking, not to say touching demonstration, as to the widespread sympathy which is felt with Mr Lattimore in his poignant sorrow. All the leading business houses in the city were represented by their principals, as well as very many of their staffs, and the flags at the Limerick Boat Club and Shannon Rowing Club were at half mast. The coffin was strewn with exquisite wreaths of lilies and other natural flowers, sent by loving friends of the deceased young lady, whose amiability and gentleness endeared her to all who knew her. The chief mourners were—Mr. Ralph Lattimore, husband; Mr. James Bogan, brother; Messrs. Robert, Joseph, and John Lattimore, brothers-in-law; Mr. Amos Bogan, and Mr. Robert Pulvertaft, uncles; Mr. Robert Paterson, Mr. Robert Cox, Mr. Edward Ridge, Mr. J. C. Henderson, Mr. Robert Henderson, cousins; Mr. John Merrick, Mr. Edward T. Boomer, Mr. R. H. Parker, Mr. John Driscoll, Tipperary. Several friends also came from a distance.

Wreaths were sent by—Mr. and Mrs. Barnett, Mr. and Mrs. Dodds, Mr. and Mrs. C. O'Donoghue, Mrs. Johnstone, Mrs. S. Matterson, Mrs. Goodwin, Mrs. Richard Harris, May and Archie, Mrs. Hewson, Clerical Staff (F. Spaight and Sons), Workmen (F. Spaight and Sons), Mr. and Mrs. Ludlow, the Misses Landon, Old Cork Friends, Mr. John Smith, brother and mother, Mrs. Henderson and Daisy, Frank and Susie, Mrs. Angley, P.Y.M.A. Cricket Club, Mr. and Mrs. Riddell, Mrs. Kidd.

The officiating clergyman was the Rev. Professor Heron, D.D., ex-Moderator of the General Assembly, Presbyterian Church.

COMPANY ACTION SETTLED.

[BY TELEGRAPH].

The hearing concluded in the King's Bench to-day of the action brought by Colonel Shewell, of Cheltenham, against Lord Kintore and others, directors of the London Riverside Cold Storage Company, for damages for alleged mis-

should at least require a much more definite statement from the Department before reconsidering our position in any respect.

Father Murphy moved the adoption of the sub-committee's report.

Mr. Stokes seconded the proposition, which was unanimously adopted.

RESIGNATION OF A TEACHER.

Miss Patten, cookery and laundry instructress, tendered her resignation, and it was accepted.

ALLEGED BOGUS DEGREES.

[BY TELEGRAPH].

The action for libel brought by Rev. Charles Garrett, a London Congregational Minister against the *Christian World*, for alleging degrees of the Harriman University, United States, held by him were bogus degrees of a face institute, was terminated to-day, when the jury, in the King's Bench, stopped the case and gave a verdict for the defendants. Counsel for the *Christian World* said defendants desired him to say they never intended to make any charge against plaintiff personally. They believed he was deceived. Judgment for defendants.

KILRUSH DISTRICT COUNCIL.

At the meeting of the Rural District Council on Saturday Mr. Thomas Talty, J.P., Chairman, presided.

SANCTION.

The Local Government Board wrote sanctioning his application for a loan of £2,250 for the building of labourers cottages in the Union.

KILKEE INQUIRY

It was decided to have the Council represented on the Kilkee inquiry by Mr Thomas Kelly, solicitor, and several of the officers to attend and give evidence.

Instruction was also given to test the area of charge for carrying out the works, and to seek to have the expenditure for the proposed scheme borne by a restriction limit should their construction be recommended.
