

... I was calling on a well-known whose books are widely known in America, and have been well translated into Continental languages. She writes ear—that is, on an average. Her great books by any means, but they are, and that is saying a great deal. ... we talked books, and I complimented her on the success of her last book. I was very pretty home, and I said: "In recognition of woman's progress and advancement, your member of my sex can keep up a home book writing." ... keep it up by book writing," she

... you had always said that, unlike English women workers, you had not an income by your parents—that you had to hoe entirely by yourself." ... replied, "but it costs me £500 a-year's style of living, and I never make £50 a-year out of my books. I make £100 out of newspaper and magazine work, and I make the rest of my income out of

...?" I echoed. ... meat." ... and laughed till the tears rolled down my cheeks, till I got to laughing myself, and then I was so cold, and we had to wait for another week. ... that this writer of many books had always been carrying on a private trade made by herself, with the help of a maid. She started among her friends, and they all tended her to their friends, they told her that she had finally secured a steady income from her pen.

KILBARRACK HARBOUR TIDE TABLE.

SEPTEMBER—OCTOBER.
