WHETHER YOU EAT TO LIVE OR LIVE TO EAT,

the process of eating would be rendered far more pleasurable if you occasionally indulged in a bottle of Farrow's Real Mushroom Ketchup. This is a luxury you would never forego if only once you tried it. The smell of it makes you hungry. Accept no substitute for either the Ketch p or Farrows Al Green Peas (in packets). If your Grocer does not stock the Ketchup, send us his and name address, and we will send you a bottle free. J. Farrow & Co., Department A 17 Peterboro'.
