Sir C. Barrington announced that he had receiv-  
 ed from Mr. Robert Fogarty a cheque for £43 13s  
 the proceeds of the concert recently held in the  
 Theatre Royal. He had also to congratulate  
 Alderman O'Brien on his splendid attendance at  
 the meetings as he headed the list.  
 The Mayor in acknowledging the compliment  
 said he looked upon it as his duty as Mayor to do  
 all he possibly could for Barrington's Hospital,  
 for it was an institution which had  
 a very great claim on the city.  
 and he trusted it would continue to receive even  
 better support until it would be placed in a posi-  
 tion financially and otherwise to make it second  
 to no similar institution in the country (applause).  
 The proceedings then terminated.

**DEATH OF MR. WM. CORBETT, C.E.**

We announce with very sincere regret the  
 death of Mr. Wm. Corbett, C.E., M.R.I.A.I.,  
 which took place at his residence Wilmount,  
 Landowne Road, yesterday morning. He has  
 been in failing health for sometime past, but  
 nevertheless the sad news came rather as a sur-  
 prise to the citizens. His death removes one  
 of the few remaining links connecting the present  
 with the past. Mr. Corbett who belonged to  
 an old Limerick family, was appointed City Sur-  
 veyor in the year 1854 in the mayoralty of the  
 late Mr. Henry Watson. He filled that office  
 with great ability and zealous interest in the wel-  
 fare of the city, down to the year 1899, when he  
 retired after the passing of the Local Government  
 Act, and was succeeded by the present City  
 Surveyor, Mr. J. J. Peacocke, C.E. During his  
 long official career Mr. Corbett carried out  
 very many important municipal under-  
 takings. He was engineer of the Cork-  
 anree embankment, a large work in its  
 way ; he initiated block-paving in the city, be-  
 ginning with the Dock Road. Many sewerage  
 schemes were also carried out under his super-  
 vision, as well also as the erection of artisans'  
 dwellings under Corporate control. He was also  
 identified with the Limerick waterworks scheme.  
 Mr. Corbett enjoyed an extensive private  
 practice, being the architect of various  
 ecclesiastical works and public buildings,  
 including the Franciscan Church, Clonlara Church,  
 and the new Church of St. Joseph at present  
 being erected in the Military Road. Since his  
 resignation of the City Surveyorship Mr. Corbett  
 had gone into well earned retirement.  
 Mr. Corbett was a most kindly and cour-  
 teous gentleman, possessing the highest  
 respect and confidence of the citizens at  
 large and though he had attained the ripe age of  
 79 years, his death is deeply regretted. The city  
 flag is to-day at half mast. The funeral will take  
 place to-morrow morning for Mount St. Lawrence

**MURDER AND SUICIDE.**

(By TELEGRAPH).

The dead bodies of George Crocker, a painter,  
 aged thirty one, and Ethel Shooter, twenty one

 kept company with Shooter, is supposed to  
 have cut the girl's throat and then committed  
 suicide. Jealousy is said to be the motive for  
 the crime.

 given by the Captain, Ellis Goodbody,  
 Esq., on Thursday, the 4th February, at
