Applications were read from eight tenants of cottages for repairs to be done, which evoked a long discussion, during which it transpired that the Council spent £200 for the last three years on labourers' cottages.
Mr. Hartigan suggested that the members should form themselves into a committee, and inspect the houses for themselves.

DEATH OF MR. SPENCER LYONS.
(From our own Correspondent.)

We regret to announce the death of Mr. Spencer Lyons, D.C., Croom, which took place on Thursday evening suddenly, when returning from Croom District Council meeting. Deceased was in failing health recently, but death was by no means expected. Deceased was a well-known member of the Gaelic Association and Chairman of the Limerick County Board for sixteen years. His sudden demise at the age of 34 will be widely regretted, but nowhere more than in Croom. He was loved by rich and poor alike. His death has caused sensation in Croom where his memory will long be lovingly cherished.
The funeral to-day was private.

TO MOTHERS.—Mrs Winslow's Soothing Syrup has been used over fifty years by millions of mothers for their children while with teething a perfect success. It will relieve the poor sufferer immediately. It is pleasant to taste; it produced natural quiet sleep, by relieving the child from pain, and the little cherub awakes "as bright as a button." Of all Chemists 1s 1½d.

1,400 Cattle, 3,700 Sheep. Best cattle favouring sellers, other sorts easier sold. Sheep dearer. Wool in brisk demand at firm rates.
