DEATH OF MR. R. HANNA.

We very much regret to have to record the death of our old and esteemed citizen, Mr. R. Hanna, of George street, which took place shortly after noon to-day. The deceased gentleman who was 70 years of age, passed peacefully away in the presence of his family. Though Mr. Hanna had attained a patriarchal age, his health was so good and his constitution so sound that his death was wholly unexpected. On Friday night he was at business as usual, but on Saturday morning he was too ill to leave his bed, and the end came as stated. Mr. Hanna had been a resident in Limerick for about forty-five years, and for about twenty-five years of that period was head of the well-known grocery business in George street. Though taking no active concern in public affairs, he had for a long time been a member of the Methodist body, and took a warm interest in all charitable and philanthropic movements. The deepest sympathy is expressed on all hands with the bereaved family.
