The death of this esteemed and highly respected gentleman, brought feelings of the deepest sorrow and regret to his immediate family circle, and to hosts of friends throughout the district, and in West Limerick generally, where his upright, sterling, honourable, social, and endearing disposition was so well known. He had passed the allotted span, being 74 years, and was in his usual good health until quite recently. Requiem Mass was celebrated in the Parish Church, Knockaderry, and the funeral cortege was the largest probably ever seen in the locality. Sincere sympathy is extended to his relatives and friends in their bereavement.
