ON SPANIELS.

A dog of all the sporting varieties is the spaniel. There can be no better man whose shooting is limited, or p but one or two dogs. With a brace en spaniels he can get all his work not only will the utility "man" of eds find game for him, but when shot his spaniel out to retrieve. I have seen

A COCKER SPANIEL.

not only their natural work, but also pointer or setter and retriever; and wback to the use of the cocker, the trated, is that most of them are too e leg to do much retrieving. The s dragging a big hare or a fine cock om covert is not very inspiring. For edgerows, however, the cocker is

NUTRITIOUS EGGS.

by pullets or hens that have not run s bird are fully as nutritious as those er fowls. Eggs from hens in a confined be as large as those from hens on ange; this depends to a great extent reed, and, too, on the method of feed- naging. There can be no doubt that ends very much on the food given to When they are fed largely, or almost , on raw meat or blood, as often here there is a slaughter-yard close k of the egg, besides being of a darker lso strong and coarse-flavoured. When gely used the yolk is paler, and the a has a milky appearance, while the is watery, and less firm in texture than y a hen fed on grain; it is insipid and ory when used in pastry, or when Some people contend that fowls not t all yield better and richer eggs than rely confined, but in our experience we ound this to be so. We have kept

Mrs. P—, Belfast, writes:—"Your Garrett's Herbine is certainly a wonderful Medicine. The first large bottle has me nearly cured of the Eczema. I had consulted Doctors, and used a great lot of other Medicines and Ointments, but simply got worse. Your great Herbal Medicine was the first to give me relief, and I believe this bottle will completely cure me. I shall be happy to recommend it to like sufferers. It should be more widely known. Please send per return of mail."

Hundreds of testimonials like above. Sold by all Chemists and Drug Stores, at 2s. 9d., 4s. 6d., and 7s. 6d. per bottle; per post, 3d., 4d., and 6d. extra. Write for Pamphlet containing some of the evidence of Cures, to
