**TO ABOLISH HANDSHAKING.**

The medical faculty has already started a crusade against kissing. A French doctor goes a step further, and wants to abolish the handshake, substituting for its place the "Temenah," which consists of placing the hand on the heart, the lips and forehead, which in the East signifies "Thou has a place on my heart, on my lips, and thou are always in my thoughts." The hand, he states, contains 80,000 microbes to the square inch.
