manufacture, and writes:—
Rathkeale, 13th January, 1905.
I have much pleasure in testifying that the "NON" Bicycle I purchased 10 years ago is a very strong one. I have no fault whatever to find in it.
P. J. O'SHAUGHNESSY,
Nelson & Co., Limerick."

MESSRS. DAVIES, D.D.S.
SURGEON DENTISTS
To Her Majesty's Royal Schools,
10, LOWER SACKVILLE STREET,
DUBLIN

[ESTABLISHED 1852],

Beg to notify to their numerous patients that owing to their increased practice one of the firm will attend personally on the above dates and regularly every fortnight.

Messrs. Davies' system of Artificial Teeth, protected by "Her Majesty's Royal Letters Patent," surpasses all others for economy, durability, mastication, articulation, and natural appearance. Being indestructible, they never change colour or decay and a written guarantee is given of the purity of the materials of every case made. They are worn with such ease and comfort, even over the most tender gums and sensitive stumps, that the wearer speedily forgets the deficiencies of nature have been supplied by art. Decayed teeth rendered sound and useful with "White Adamantine Enamel."

NO CHARGE FOR CONSULTATION.

FEES MODERATE.

Constant attendance at their Residence,
LOWER SACKVILLE ST., DUBLIN.
