DEATH OF THE VERY REV. DEAN FLANAGAN.

We regret to announce the rather unexpected
demise of a venerable and highly esteemed
clergyman of the Diocese of Limerick, the Very
Rev. Dean Flanagan, P.P., Adare, who passed
away yesterday morning at his residence, the
Presbytery, Adare, in the 85th year of his age.
He had been for some time past in failing
health, but was able to be out and about up to
Thursday last, when he contracted a chill,
which developed more serious consequences,
and the end came peacefully yesterday. The sad
event has cast a gloom over "Sweet Adare," with
which the Dean has been so closely connected
for close on forty years, and where his warm-
hearted and genial disposition endeared him
to all without distinction of class or creed.
The Dean, a student of St. Sulpice, Paris,
was ordained Priest in 1852. Some time later
he joined the Oratorians at Birmingham under
Cardinal Newman, who when he came to Ireland
in 1854 to found the Catholic University in
Dublin, brought Father Flanagan as one of his
colleagues. Subsequently Father Flanagan
laboured in Surthwick for a year or so, and then
was appointed Administrator at Adare, and on
the death of Father O'Grady became Parish
Priest. Since then the venerable gentle-
man had constantly resided at Adare.
The present Bishop, Dr. O'Dwyer, who by the
way, was curate to Father Flanagan, appointed
him to the Archdeaconry some ten years ago,
and later on, on the nomination of his Lordship,
he was elevated by the Holy See to the Deanery
of the diocese.

Dean Flanagan always took the deepest pride
and pleasure in the associations of Adare, and
interested himself very much in antiquarian
pursuits. He was on the most intimate terms
with the Dunraven family, and, as stated, by all
creeds in the district was a general favourite.
The Dean was a member of one of the oldest
families in Roscommon, and was cousin of the
late Judge Wolfe Flanagan, of the Land Judges
Court.

It is announced that Office and Requiem Mass
will take place in Adare R.C. Church at 11 a.m.
to-morrow (Wednesday), the funeral taking
place immediately afterwards.
