LIMERICK SPRING MEETING

Concluding Day.

The concluding day of the Limerick Spring was brought off under the happiest of auspices. From an atmospheric point of view the day tended to make the meeting as active a venue as possible, while the racing was a decided improvement on the preceding day. The five events that the day contained brought out respectable entries, and in a few instances the finishes were particularly in the Shannon Plate, secured by the Artist, from Exult, with Period a good second. The Executive, as usual, discharged its duties with tact and ability, leaving nothing to be desired. The Spring Plate was won by Alma, the Greenpark Plate by Roseville, the Cork Plate by Alannah, and the Provincial by Onward.
