colours to maintain their wives and children who might be a burden on the rates.

The Chairman—I think that is very satisfactory. We will know now where we are.

The communication was marked "read."

NEW ACCOUNTS' ORDER.

The Local Government Board wrote directing special attention to the provisions of the new accounts' order which require that the estimate of the Guardians of the sum to be supplied by the County Council for the service of the financial year ending 31st March, 1906, shall be adopted by the Guardians at a meeting to be held not later than the 15th January, 1906.

The circular was marked "read."

EXTENSION OF TIME.

Concerning the application for extension of time for payment of the account of Mr. Thorpe for salary as analyst of medicine, the Local Government Board desired before considering the matter to be furnished with a statement of the reasons why the claimant omitted to take steps to obtain payment within the period prescribed by section 51 (7) of the Local Government Act, 1898.

The Clerk was ordered to furnish particulars asked for.

MORE PARTICULARS WANTED.

Relative to the claim made by Mr. O'Malley, C.E., in respect of his attendance in court as a witness on behalf of the Guardians, the Local Government Board wrote asking for full particulars, and whether the verdict in the case covered costs.

Ordered to be complied with.

RELIEF TO CHILDREN.

The Local Government Board wrote that giving out relief to children was illegal.

The Clerk—That refers to the case where the father and mother of the four children were dead, and their stepfather was unable to maintain them.

Mr. Bourke—It appears the thing is illegal. Mark the letter "read."

SEED SUPPLY.

The Local Government Board wrote that an seed potato loan would be granted on the security of the rates, and any seed rate not recovered would become a charge on the Union-at-large.

The Chairman—I think it too bad that where the seed rate is irrecoverable the charge should be a Union-at-large one.

The document was deferred till Saturday's meeting at 12 o'clock.

MALICIOUS INJURY CLAIM IN TIPPERARY.

The following notice of malicious injury claims have been served on Mr. Walter Nolan Clerk of the Crown, from the Nenagh Division: Mr. Cornelius Whelan, of Carrigtogher, £8, for the destruction of a rick of hay; Mrs. Catherine Sutcliffe, of Doorha, £50, for the destruction of house with contents, consisting of furniture, clothes, bedding etc. The above will come on for hearing before Judge Moore at Nenagh Quarter Sessions.

SCHOOL ATTENDANCE OFFICER.

A brisk canvassing for the position of School Attendance Secretary to the Glin School Attendance Committee is being carried on. There are already four candidates in the field.

GLIN FAIR.

The monthly fair of Glin was held yesterday in fine weather. There was an average supply of cattle, but buying, which was almost confined to local dealers and victuallers, was slow. A lot of Connemara ponies were sold at an average of £6 each. Bonhams were from 12s to 18s each.

DEATH OF MRS. MARY KATE NUNAN.

The death of the above lady, at the early age of 28 years, occurred at Barrington's Hospital on Sunday last. The deceased, who was the only daughter of Mr. Thomas O'Brien, bandmaster, had been ailing for some considerable time, and despite unremitting care and the best medical attention, passed away, fortified by the rites of her Church. To her parents, brothers, and husband, the heartiest sympathy is extended in their sad bereavement. The funeral, which was large and representative, left her late residence, 51, Collooney street, at 3 p.m. on the 3rd inst., and fully testified to the respect and sorrow felt for her relations.

FORTHCOMING MARRIAGES.

A marriage is arranged to take place on the 1st February between Mr. Cyril P. Napier Raikes, youngest son of General Robert Raikes, and Dora Roberts, only daughter of Lieutenant-Colonel Roberts, late commanding 8th Liverpool Regiment.

A marriage will take place between Captain Herbert Goodenough King Hall, R.N., D.S.O., son of the late Admiral Sir William King Hall, K.C.B., and Lady Mabel Murray, younger daughter of Viscountess Stormont and sister to the Earl of Mansfield.

The engagement is announced of Lytton Cecil Lambert 6th (Prince of Wales') Cavalry, youngest surviving son of Sir Stuart Bayley, of Barkston-gardens, to Helen Gwendoline, only daughter of Lieutenant-Colonel Williamson, Indian Army.

MARK TWAIN.

"The only needful thing," says Mark Twain, "is to get Plasmon into the stomach—dissolved or in clods, or petrified, or anyway so it gets there. I had an eight years' persistent dispute with dyspepsia, but when visiting England my doctor ordered Plasmon to be added to my other food, and I have had no return of it since."

THE MUNICIPAL ELECTIONS.

"An Elector," who does not give his name or address, cannot expect his letter to be published. He is entirely wrong however, as we received the advertisement from a most reliable gentleman, who, we are perfectly sure would not lend himself to anything "begus."

instituted proceedings against the Northern and Western Railway Company for compensation for the death of Hewitt, a mileman in the Company, who was run over by a passing train at Sixmilebridge, 3rd November last.

When the case was called, it was represented by Mr. R. Nash, solicitor, he had, on behalf of Mrs. How agreed to accept it for the costs.

His Honor said the agreement was a rule of court. The Workmen's Act was a good Act for the case in point.

A sum of £50 was awarded to an employee at Messrs. Spaight merchants, as compensation for injuries sustained while assisting in circular saw.

DEATH OF MADAME BELL COLE.

(By Telegraph To)

The Press Association regret Madame Belle Cole, the well-known singer, died at 5.30 this morning at her home, Redcliffe Gardens, London. Madame Cole, who was an American by birth, commenced her musical career as a soloist in Fifth Avenue, New York, and London in 1888, and sang in "E. College."

Madame Belle Cole visited Theatre Royal on November 26th with Lucy Murtagh, Hilda Lyons, A. Winwick, and other stars. Those who heard her on that occasion were charmed and delighted, and will miss so sweet a singer has been away.

SURCHARGED GUARDIANS MEMBERS.

At yesterday's meeting of the Guardians, the auditor's report was read and discussed. Captain O'Brien, Alderman Joyce and the chairman, for authorising him to charge 9s. for penning his signature to persons whom the audited entitled to it and the other odd paid to Mr. T. F. McAuley, work for which the engineers refused.

The Chairman said the surcharge was especially as the entire Board opinion that Mr. McAuley should be charged.

Mr. Bourke—We did not act on the advice of the engineer and solicited the payment.

Mr. Ryan (Knockatane), said he should take no notice of Mr. McAuley.

Alderman Joyce said whether charged or not he would not pay cent."

Mr. Bourke—You will go to gaol there.

Mr. O'Malley explained that he informed the Board that Mr. McAuley's account was not paid. Then some matter arose at the meeting that Mr. McAuley behaved harshly, and the committee, with himself, met and agreed that Mr. McAuley should issue a Civil Bill against the engineer for the amount, and that then some action would be taken to legalize payment would be before the County Court Judge. I omitted to issue a Civil Bill, and in fact of that gave a certificate.

The Chairman then accepted the suggestion of Mr. Donnellan to defer the whole until next meeting.

DEATH OF MRS. M. SHANNON.

Our correspondent regrets to announce the death of Mrs. Mary Shannon, which took
