### ATLANTIC RATE WAR RESULT

The Atlantic rate war result had (says a Lon-  
don correspondent) an appalling effect on the  
Morgan Shipping combine. Fuller details of  
the balance sheet show that the losses on the  
year amount to £600,000, and in spite of the  
ruthless "cutting" of salaries when Mr. Bruce  
Ismay was appointed President, management  
expenses have increased by £40,000. It is  
remarked among shipping men that the combine  
has already laid up several freight steamers,  
and as regards passengers it will have to meet  
the formidable competition of the new 25 knot  
Cunarders, which will be the finest and fastest  
Atlantic liners afloat.

### FATAL ACCIDENT IN WEST LIMERICK.

A sad accident occurred in the neighbourhood of  
Ballingarry on Thursday. It would appear that  
a man named James Walsh, aged 63, was engaged  
filling a load of hay and in some unaccountable way  
fell from the cart injuring his spine from the effects  
of which he died on Friday evening, 21st inst.  
Dr. H. G. Molony did all that was possible for the  
sufferer but without avail.
