SAILING CRAFT CAPSIZES.

YOUNG WOMAN DROWNED.

(BY TELEGRAPH TO DAY.)

A small sailing boat capsized near Chatham last night owing to a swell caused by a Medway pleasure steamer, and Harriet Eliza Durrant, a young married woman, was drowned.

DELAYED BY FOG.

ANXIETY FOR PASSENGERS

(BY TELEGRAPH TO-DAY.)

Two passenger boats, Normandy and Brighton, which left Swansea yesterday for Ilfracombe, did not return to Swansea until this morning being delayed by fog in the Bristol Channel. There were fifteen hundred passengers aboard, and the delay caused considerable anxiety.

DROWNING ACCIDENT AT FOYNES.

YOUNG COUNTY MAN THE VICTIM.

(BY TELEGRAPH FROM OUR CORRESPONDENT.)

A young man named John Dore, a farmer, of Mount David, Shanagolden, was drowned in the Shannon last evening while bathing at Foynes. After plunging in he never rose to the surface, and though Michael Adams, Glin, and several others repeatedly dived, they could not find him. His body was recovered later on.

INTENSE HEAT.

SOLDIERS CONVEYED TO HOSPITAL

(BY TELEGRAPH TO-DAY)

Intense heat prevails on Salisbury Plain to-day. Several of the volunteers on parade fell out this morning, and some were conveyed to hospital on stretchers.
