**FOR JARVEYS AND OTHERS.**

Fergeant Smyth and Constable McGrath spent  
hours yesterday trying to educate the drivers  
of vehicles in the new police rule, which is, that  
car drivers must give the street corners a wide  
berth, and keep to the right side of the road.  
Sharp turning round street corners, which was  
not infrequent, and likely to lead to accident,  
will be met by punishment if persisted in.
