**PAINFUL WATERFORD CASE.**

In the Court of Appeal on Thursday, before  
 the Lord Chancellor, Lord Justice Fitzgibbon,  
 and Lord Justice Holmes, judgment was  
 delivered in the case of Murray v. Fitzgerald.  
 It was an appeal by the defendant from the  
 judgment of the King's Bench Division (Mr.  
 Justice Gibson dissenting), which refused his  
 application that the judgment found for the  
 plaintiff, Michael Murray, at last Waterford  
 Summer Assizes (Mr. Justice Johnson) should  
 be entered for him, William Fitzgerald. The  
 action was one brought against the defendant  
 for betrayal of the plaintiff's sister; this  
 resulted in a verdict for the plaintiff, £100  
 damages being awarded.  
 The appeal was dismissed, Lord Justice  
 Holmes dissenting.

**OPENING OF PARLIAMENT.**

**FLANNELETTE.**  
 If purchasers of this useful material for under-  
 wear all the year round would buy the best  
 English make, which can be obtained from all  
 leading Drapers, they would avoid all the risks  
 they undoubtedly run with the inferior  
 qualities of Flannelette.

 ing the Union with 200 or 300 tons of Best Steam  
 Coals, at such times and in such quantities as may  
 be required by the Master. The coals must be  
 "through and through," and supplied from some  
 of the following collieries.—Lewesmerthyr, Globe,  
 Ocean, Nixon's Navigation, Ebbow Vale, or Great  
 Western Steam. The coal must be fresh wrought  
 at the time of shipment, and must be delivered  
 (carriage free) direct from ship to Union, and  
 "colliery certificate," and "bill of lading," to be  
 furnished before delivery. Parties tendering must  
 make a deposit of £3, which sum shall be forfeited  
 unless bond for due fulfilment of contract be com-  
 pleted within 10 day from the acceptance of  
 tenders. Tenders must be lodged at the Work-  
 house before 12 o'clock noon on above named day  
 marked on outside "Steam Coal." The Guardians

 bond, at 1s per lb nett b-a-h. Chests or half chests  
 must be of uniform quality, and in one lot, bear-  
 ing chop mark, ex-ship, which must be named in

 stores in Limerick direct to any officer of the  
 union as it is ordered, and pay any storage upon  
 it. Merchant's taxes to be allowed to the guar-

 selves the right of accepting and dividing equally  
 the supplying of the tea between two contractors  
 whose samples may be found the most suitable.  
 A sample fee of 2s 6d must be delivered to me  
 along with each sample of tea sent in for com-  
 petition. Tenders, containing the names of two  
 solvent sureties for the due performance of the
